This Saturday the Nut Point Gallery will hold what owner John Allan hopes will be the first of many fundraising events for the RSPCA.

"This is a first charity concert for the RSPCA at the Nut Point which we hope to make on an annual basis," says John, who has always been interested in helping pets and wildlife.

"After adopting Bob from the RSPCA I always wanted to do more - wishing I could adopt all of these poor souls waiting for a good home there."

The RSPCA Fundraiser Concert and Lunch will feature performances from Andrew Morriss and Lynette Diaz, both of whom John says didn't need

much convincing to volunteer their talents for the fundraiser.

Andrew and Lynette will be performing a set each of their original compositions and well known and loved songs, as well as coming together to play a set that includes old favourites, including songs from the Beatles, Faith Hill, Bon Jovi and others - mixing country, folk, pop and rock together.

"It's great to be able to use our music to lend support for the RSPCA, they do such a valuable job and they need all the support we can give them," says Andrew Morriss. "It's the first time Lynette and I have performed together and we're both looking forward to it."

The musical entertainment will be accompanied by a vegetarian lunch, with all proceeds going to the Canterbury branch of the RSPCA and all expenses carried by the gallery and musicians.

The RSPCA Fundraiser Concert and Lunch is this Saturday, March 15,

from 11.30am at the Nut Point Gallery. Tickets are \$25, which includes a light lunch.

The Nut Point Gallery is located just out of Christchurch on Langdales road, off the Old West Coast road, West Melton. For bookings go to www.nutpointgallery.com or phone 03 342 1033.
